Hi [REDACTED],

Just responding re your questions on our Maangai Maaori structure. Attached is a report that came to Council in Feb 2020 that pretty much answers all of your questions around structure and rem. Have also attached the previous email I sent to Jen about how the original rem rates were determined back in 2018.

Since Feb 2020 we have approved a few more appointments (all current appointments summarised below). Essentially we have one or two Maanagai Maaori sitting on all of our committees of Council. The one or two is dependant on the interests of Iwi and Maata Waka (MW). In total we have 5 Maangai who cover multiple committees between them. From time to time Maangai are also part of working groups relating to their relevant committees.

Finance Committee – 1 x Iwi rep  
Community Committee - 1 x Iwi rep and 1 x MW rep  
Strategic Growth Committee – 1 x Iwi rep and 1 x MW rep  
Infrastructure Operations Committee - 1 x Iwi rep  
Environment Committee - 1 x Iwi rep  
Economic Development Committee - 1 x Iwi rep and 1 x MW rep  
Strategic Risk and Assurance Committee - 1 x Iwi rep  
District Plan Amendments Committee – 1 x Iwi rep  
Central City River Plan Advisory Group - 1 x Iwi rep  
Hearings and Engagement Committee – all Maangai Maaori sit on this committee and attend hearings relevant to their portfolios.

Total budget for rem for Maangai Maaori roughly equates to \$110,000 per annum.

Please feel free to come directly to me in the future if you need any governance related info 😊

Thanks,

# Council Report

Item 14

**Committee:** Council **Date:** 04 February 2020  
**Author:** Mothla Majeed **Authoriser:** David Bryant  
**Position:** Legal Services Manager **Position:** General Manager Corporate  
**Report Name:** Maangai Maaori: review of arrangements

<b>Report Status</b>	<i>Open</i>
----------------------	-------------

## Purpose

1. To inform the Council of the outcome of the review of Maangai Maaori arrangements.
2. To seek Council's approval to make changes to the Maangai Maaori arrangements, including in relation to remuneration, and in order to provide better support to Maangai Maaori in carrying out their functions.

## Staff Recommendation

3. That the Council:
  - a) notes the appointment of Maangai Maaori to Council Committees as part of the 2019-2022 Governance Structure at its meeting of 28 November 2019;
  - b) approves the proposed changes to the Maangai Maaori arrangements outlined in this report (paragraphs 26-51);
  - c) notes the estimated funding implications for the proposed changes, being an extra \$34,400 per annum in total for remuneration, and associated professional development costs will be addressed as part of the 2020/2021 Annual Plan process; and
  - d) delegates the General Manager Corporate to negotiate and execute variations to the individual kawenata with Maangai Maaori to give effect to the proposed changes.

## Executive Summary

4. On 2 August 2018, Council resolved to appoint Maaori representatives to the Finance, Growth and Infrastructure, Community and Services and Regulatory and Hearings Committees. Agreements (kawenata) were executed between Council, Maataawaka and Iwi representatives, as well as with the five Maangai Maaori who were appointed by Iwi and Maataawaka. A link to the report concerning this decision can be found [here](#).
5. The kawenata provided that the appointments related to the 2016-2019 triennium, with a decision to be made at the start of the 2019-2022 triennium regarding appointment thereafter.
6. At its meeting of 28 November 2019, Council approved the 2019-2022 Governance Structure, which included the appointment of Maangai Maaori to the Strategic Growth, Infrastructure Operations, Finance, Community, Hearings and Engagement, Strategic Risk and Assurance, Environment and Economic Development Committees, as well as to the CBD/River Plan Advisory Group.

7. In the same period of time, staff have reviewed the structural and practical arrangements in place (i.e. the terms of the individual kawenata and practical support available for Maangai Maaori) in order to assess whether they continue to be fit for purpose.
8. As a result of the review, staff recommend:
  - That no changes are made to the 2019-2022 Governance Structure regarding the appointment of the current Maangai Maaori to the new Committees of Council.
  - The remuneration paid to Maangai Maaori is adjusted to reflect their new appointments, which will result in a **total** increase of \$34,400 per annum for remuneration.
  - That Maangai Maaori may attend public-excluded Council meetings at the discretion of the Chief Executive, where the item is relevant to a Committee a Maangai Maaori is appointed to.
  - That Maangai may request access to public excluded Council reports at the discretion of the Chief Executive, where the item is relevant to a Committee a Maangai Maaori is appointed to.
  - That Maangai Maaori have access to and may discuss with each other public-excluded reports from other Committees, provided this does not give rise to a conflict of interest for the Maangai Maaori receiving the report.
  - That Council considers funding professional development opportunities for Maangai Maaori in the context of their respective roles to be discussed with the Governance Manager on case by case basis, with associated costs to be addressed as part of the 2020/21 Annual Plan process.
9. Practical issues were also discussed as part of the review, however as these are operational matters, they are not addressed in the report and will be addressed directly by staff.
10. Staff consider the matters in this report have medium significance and that the recommendations comply with the Council's legal requirements.

## Background

11. Over the years, there have been a range of initiatives for ensuring Maaori representation in Council – from the Ngaa Hui Haumi Committee in place from 1992 to 1995, to the establishment of various partnership agreements with iwi and other representative groups.
12. On 18 October 2017, Council considered a report on establishing Maaori wards as the first stage of the representation review that all councils are required to undertake at least once every six years under the Local Government Act 2002. That report also included options for other forms of Maaori representation. Council chose not to establish Maaori wards and instead requested staff investigate alternative models for Maaori representation.
13. Subsequently, on 2 August 2018, Council resolved to appoint Maaori representatives to the following Council Committees, with full voting and speaking rights under Standing Orders:
  - Finance Committee – one seat for an Iwi representative;
  - Growth and Infrastructure Committee – one seat for an Iwi representative;
  - Community and Services Committee – one seat for an Iwi representative and one seat for a Maataawaka representative (i.e. two seats in total); and
  - Regulatory and Hearings Committee – one seat for an Iwi representative.

14. At the same meeting, Council also delegated to the Chief Executive the function of negotiating and executing the following kawenata:
  - a principal kawenata in relation to Maaori representation between the Council, Te Ruunanga o Kirikiriroa (**TROK**, representing Maataawaka) and Waikato-Tainui (Iwi); and
  - individual kawenata between the Council and the appointees to the Maangai Maaori positions.
15. The principal kawenata was signed on 1 October 2018. Individual kawenata were signed with the five appointees to the Maangai Maaori positions on 19 September 2018.
16. The principal kawenata provided that the appointments would continue until the end of the 2016-2019 triennium. It provided that thereafter, at the commencement of each triennium, the Council will engage with Waikato-Tainui and TROK in relation to arrangements for Maaori representation on Council Committees and decide on the representation to be provided for that triennium (if any).
17. At its meeting of 28 November 2019, Council approved the 2019-2022 Governance Structure, which included the appointment of Maangai Maaori as follows:
  - Finance Committee – one seat for an Iwi representative – Maangai Bella Takiari-Brame;
  - Strategic Growth Committee – one seat for an Iwi representative – Maangai James Whetu;
  - Infrastructure Operations Committee – one seat for an Iwi representative – Maangai Norm Hill;
  - Community Committee – one seat for an Iwi representative and one seat for a Maataawaka representative (i.e. two seats in total) – Maangai Te Pora Thompson-Evans and Maangai Olly Te Ua;
  - Hearings and Engagement Committee – all five Maangai Maaori appointees are members of the Committee, but only in order to attend meetings addressing matters relevant to another Committee they are a member of;
  - Strategic Risk and Assurance Committee – one seat for an Iwi representative – Maangai Bella Takiari-Brame;
  - Environment Committee – one seat for an Iwi representative – Maangai Norm Hill;
  - Economic Development Committee – one seat for an Iwi representative and one seat for a Maataawaka representative (i.e. two seats in total) – Maangai Te Pora Thompson-Evans and Maangai Olly Te Ua; and
  - CBD/River Plan Advisory Group – one seat for an Iwi representative – Maangai Norm Hill.
18. Staff have reviewed the structural and practical arrangements in place (i.e. the terms of the individual kawenata and practical support available for Maangai Maaori) in order to assess whether they continue to be fit for purpose. This report provides the outcome of that review and proposed recommendations.

## Discussion

19. The review involved the following steps:
  - a review of the terms of the principal and individual kawenata;
  - seeking feedback from Maangai Maaori;
  - seeking feedback from the Chairs and Deputy Chairs of the 2016-2019 Committees with Maangai Maaori (noting not all members were able to provide feedback);

- assessing the implications of that feedback and testing those implications against the terms of the kawenata, as well as the overarching purpose of the Maangai Maaori arrangements, in order to develop proposals; and
- seeking feedback on proposals with the Mayor, Maangai Maaori, Waikato-Tainui and TROK.

20. Key issues and comments identified through the feedback process are summarised below. Staff's proposals then follow.

21. **Feedback**

22. Feedback on the operation of the arrangements to date was by and large positive. Maangai Maaori and Chair/Deputy Chair feedback focused largely on constructive suggestions for better supporting Maangai Maaori in their role.

23. In particular, both Maangai Maaori and a number of Elected Members commented on the practical difficulties arising from each Maangai Maaori not being a member of full Council or all Committees. Feedback highlighted the potential for isolation or silos, as well as opportunities to ensure Maangai Maaori had the support to be across developments in Council and other Committees. It was also noted that, given the increased Committee membership of each Maangai Maaori this triennium, each appointee's remuneration should be increased in proportion to their increased membership responsibilities.

24. Those suggestions are either incorporated in the below proposed recommendations, or, where staff do not propose approving them, an explanation is provided below as to why not.

25. As part of the review, feedback on practical issues not requiring further funding was also obtained (for example, relating to parking and the availability of meeting spaces). This report does not touch on those matters, which will instead be addressed separately by staff.

26. **Proposed recommendations**

27. **Structure**

28. Feedback from some of last triennium's Chairs and Deputy Chairs, as well as some current Elected Members, related to the number of Maangai Maaori on Committees. In particular, it has been suggested by two current Elected Members that there should be a Maataawaka representative on the Strategic Growth Committee. Another Elected Member has similarly queried why the Community and Economic Growth Committees have two appointees (i.e. one Iwi and one Maataawaka), but other Committees do not.

29. The rationale for the proportion of seats allocated to Maataawaka and Iwi is linked to the mandate and aspirations of each organisation.

30. TROK is the local urban Maaori authority. It represents and is representative of Maataawaka (Maaori who do not whakapapa to Waikato-Tainui hapuu) and Pasifika people in Hamilton City and surrounding areas. Its aspirations in entering into the principal kawenata (as recorded in that kawenata) include:

- the development of an effective working partnership with local authorities with respect to issues affecting Maaori and Pasifika peoples in Hamilton City;
- encouraging, promoting, assisting and developing the social, educational, cultural and political advancement of its members; and
- involvement with Article 3 matters of Te Tiriti o Waitangi / the Treaty of Waitangi, in particular the principles of participation, partnership, protection, advocacy and representation.

31. Waikato-Tainui (more formally Te Whakakitenga O Waikato) is the recognised authority for the five mana whenua hapuu who exercise traditional authority over the lands upon which Hamilton City is built – namely, Ngaati Wairere, Ngaati Maahanga, Ngaati Hauaa, Ngaati Tamainupoo and Ngaati Korokii-Kahukura. Among Waikato-Tainui’s aspirations in entering into the principal kawenata (as recorded in that kawenata) are:
  - for the five mana whenua hapuu to participate in, and add value to, Council’s decision-making processes through representation on Council’s Committees with full voting and speaking rights; and
  - to provide for an enduring relationship between the parties through respect of the mana whakahaere (management) rights and responsibilities of Waikato-Tainui and the five hapuu it represents.
32. The proportion of Iwi and Maataawaka representatives, and the Committees they are appointed on, was agreed with TROK and Waikato-Tainui in the principal kawenata. The approach reflects the difference in roles and aspirations of TROK and Waikato-Tainui.
33. Staff do not recommend any changes to the appointment of Maangai Maaori to Committees in the 2019-2022 Governance Structure. This matter will however be monitored and revisited as appropriate. TROK has provided feedback on this recommendation, and confirms TROK believes there is Maataawaka representation on the right Committees, and that one Maataawaka representative is currently sufficient.
34. ***Remuneration***
35. Maangai Maaori identified that the rates of remuneration were set under the 2016-2019 Governance Structure, and noted that remuneration would need to be adjusted to reflect increased responsibilities for all Maangai Maaori under the 2019-2022 Governance Structure.
36. In its 2 August 2018 meeting, Council agreed to proceed with appointing Maangai Maaori to Committees on the basis that they would be paid a set fee calculated in accordance with an \$100/hour rate (as opposed to other options, being \$80/hour or \$90/hour) and estimated number of hours for each required for each Committee. On an annual basis, remuneration totalled \$67,400.
37. Staff propose increasing the fixed fee paid to each Maangai Maaori to reflect their increased membership and responsibilities. Staff propose those increased rates continue to be calculated on the basis of \$100/hour. The fees payable in respect of each Committee, are set out in the Financial Considerations section of this report. By way of summary, fees are expected to total \$102,400 per annum – i.e. an increase of \$35,000 per annum under the new structure.
38. ***Attendance at Council meetings***
39. As part of the feedback process, it was suggested that Maangai Maaori should be able to attend public-excluded Council meetings where relevant to their Committee. This would allow the Maangai Maaori to answer any questions or speak to a recommendation if the Chair considered it appropriate. This would also serve to better integrate Maangai Maaori into the full decision-making process, and allow Maangai Maaori to provide more fulsome feedback to stakeholders. Staff recommend approving this practice.
40. The Standing Orders already allow for such attendance. Clause 17.2 provides that Council may resolve to allow specified persons to remain in Chambers, but that “[n]o such resolution is needed for people who are entitled to be at the meeting, such as relevant staff and officials contracted to the council for advice on the matter under consideration.” A purposive reading of the clause would include Maangai Maaori. Staff therefore propose that Maangai Maaori may attend public excluded sessions at the discretion of the Chief Executive.

41. For completeness, the individual kawenata already require Maangai Maaori to treat confidential information as such. Accordingly no change would be required to the kawenata to give effect to this recommendation.
42. That Maangai may request access to public excluded Council reports at the discretion of the Chief Executive, where the item is relevant to a Committee a Maangai Maaori is appointed to.
43. ***Professional development***
44. The individual kawenata currently make no provision for professional development, and there is no budget allowance for this either. Staff consider it would be beneficial to both Maangai Maaori and Council if governance/council -related professional development was made available to Maangai. Staff accordingly propose that each Maangai Maaori's individual kawenata is amended to provide that Council will fund attendance (and associated accommodation/travel) at one relevant conference per year for each Maangai Maaori (including, for example, combined attendance at both the LGNZ conference and Te Maruata Hui the day before the LGNZ conference), as pre-approved by Council's Governance Manager. Staff propose an adjustment to the budget accordingly. This is further addressed under Financial Considerations.
45. ***Access to other public-excluded Committee items***
46. The individual kawenata contain a confidentiality provision in order to ensure confidential Council information is treated as such by Maangai Maaori. However, the provision doesn't allow for a Maangai Maaori appointed to one committee to discuss or share confidential information from that Committee with another Maangai Maaori who is not a member of that same Committee.
47. Maangai Maaori have noted through their feedback that in practice, this makes it difficult for them to work together and support each other, and risks siloing Maangai Maaori.
48. Having discussed the issue with Maangai Maaori, staff recommend that Maangai Maaori are given access to all Committee (except Chief Executive Review Committee) reports, including public-excluded items, as a matter of course.
49. This would allow Maangai Maaori to be aware of interconnected issues before their Committee, as well as allowing Maangai Maaori to caucus with each other and elected members without any issues arising in terms of confidentiality.
50. Staff however recommend that Maangai Maaori are advised that they should not access public-excluded reports from another Committee that relate to items giving rise to a conflict of interest for that Maangai Maaori. Such conflicts would be a matter to be identified and managed by the individual Maangai Maaori.
51. For completeness, the individual kawenata already require Maangai Maaori to treat confidential information as such. Accordingly no change would be required to the kawenata to give effect to this recommendation.

Item 14

52. As noted above, staff recommend scenario 3, which entails a \$34,400 increase in operating expenditure with regard to remuneration.
53. Staff also recommend funding allowance be considered for professional development as noted in paragraphs 42 – 43 above. Approximate costs to be determined via the annual plan process.
54. These costs are currently not funded in the 2019/2020 Annual Plan or the 2018-2028 Long Term Plan. Staff will propose the necessary budget adjustments as part of the 2020/21 Annual Plan process as well as the forthcoming Long Term Plan process.

### **Legal and Policy Considerations**

55. Staff confirm that the recommendations in this report comply with the Council's legal and policy requirements, including Council's obligations in relation to the Treaty of Waitangi in the Local Government Act 2002.

### **Wellbeing Considerations**

56. The purpose of Local Government changed on the 14 May 2019 to include promotion of the social, economic, environmental and cultural wellbeing of communities in the present and for the future ('the 4 wellbeings').
57. The subject matter of this report has been evaluated in terms of the 4 wellbeings during the process of developing this report as outlined below.
58. The recommendations set out in this report are consistent with that purpose.

#### **Social**

59. The recommendations in this report seek to strengthen and further empower Maangai Maaori, in turn facilitating greater involvement of Maaori (through both the Iwi and Maataawaka seats) and Pasifika (through the Maataawaka seat) communities in Council decision-making. This will in turn lead to greater social outcomes for those communities.

#### **Economic**

60. The recommendations in this report seek to strengthen and further empower Maangai Maaori, in turn facilitating greater involvement of Maaori and Pasifika communities in Council decision-making. The 2019-2022 Governance Structure provides for Maangai Maaori seats on the Economic Development Committee, which will serve to improve economic outcomes for all Hamiltonians by ensuring Maaori and Pasifika views are taken into account in decision-making.

#### **Environmental**

61. The recommendations in this report seek to strengthen and further empower Maangai Maaori, in turn facilitating greater involvement of Maaori and Pasifika communities in Council decision-making. The 2019-2022 Governance Structure provides for a Maangai Maaori seat on the Environment Committee, which will serve to improve environmental outcomes for all Hamiltonians by ensuring Maaori and Pasifika views are taken into account in decision-making.

#### **Cultural**

62. The recommendations in this report seek to strengthen and further empower Maangai Maaori, which in turn allows for Maaori and Pasifika aspirations and worldview to play a greater role in Council decision-making.

#### **Risks**

63. There are no known risks associated with the decisions required for this matter.

## **Significance & Engagement Policy**

### **Significance**

64. Staff have considered the key considerations under the Significance and Engagement Policy and have assessed that the recommendation(s) in this report has/have a medium level of significance.

### **Engagement**

65. Community views and preferences are already known to the Council through previous engagement on Maori representation as well as comments presented to Council's 2 August 2018 meeting by way of public forum.

66. In preparing this report, staff have sought feedback from Maangai Maaori and discussed recommendations with Maangai Maaori, Waikato-Tainui and TROK.

67. Given the medium level of significance determined, the engagement level is medium. No engagement is required.

## PARTIES

1. **Waikato-Tainui**
2. **Te Runanga o Kirikiriroa ('TROK')**
3. **Hamilton City Council ('the Council')**  
(together, the 'parties').

## PART A: BACKGROUND

1. Te Whakakitenga O Waikato (Waikato-Tainui) is the recognised authority for the five Mana Whenua Hapuu who exercise traditional authority over the lands upon which Hamilton City is built; namely, Ngaati Wairere, Ngaati Maahanga, Ngaati Hauaa, Ngaati Tamainupoo and Ngaati Korokii-Kahukura. For the purposes of this agreement, Waikato-Tainui represents these five Hapuu.
2. Te Runanga o Kirikiriroa (TROK) was formally established in 1988 as the urban Maori authority. Mandated by both the late Maori Queen, Te Atairangikaahu and the Mayor of the time, the late Sir Ross Jansen, TROK represents and is representative of Maaori (Maataa Waka) and Pasifika peoples living in Hamilton City and surrounding areas. As a result of this mandate, TROK has maintained a collegial relationship with the Hamilton City Council and has a history of advocating for Maaori representation at the Council table in keeping with the principles of the Treaty of Waitangi.
3. The Council is a local authority under the Local Government Act 2002 and is based in and responsible for Hamilton City.
4. Waikato-Tainui and TROK are seeking:  
*'He painga moo ngaa miro katoa I raro I te mana o te kaihanga'*  
*'All peoples are valued, respected and flourish under the authority of the creator'.*
5. The Council is seeking to provide opportunities for Maaori to contribute to its decision-making processes in a meaningful and effective manner and based on a partnership approach that reflects the principles of the Treaty of Waitangi.
6. The Council resolved on 18 October 2017 to explore alternative representation arrangements for Maaori that provide an opportunity for meaningful engagement and the parties have worked together to develop a preferred model as reflected in this kawenata.
7. On 2 August 2018 the Council resolved to adopt the model referred to in this kawenata.
