Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

1. Any costs modelled or actualised necessary to meet new requirements under the Government's new Land Transport Rule: Setting of Speed Limits 2024
2. Any crashes, deaths and serious injuries modelled as a result of speed limit changes to meet requirements under the Government's new Land Transport Rule: Setting of Speed Limits 2024
3. Any crashes, deaths and serious injuries modelled from changing to the previous speed rule - Land Transport Rule: Setting of Speed Limits 2022
4. Any submission your organisation prepared for the consultation on the draft Land Transport Rule: Setting of Speed Limits 2024, and any feedback otherwise given to the Ministry of Transport, Waka Kotahi, the Minister of Transport or his office on the Rule or the new approach to setting speed limits.

Our response:

1. Any costs modelled or actualised necessary to meet new requirements under the Government's new Land Transport Rule: Setting of Speed Limits 2024

This is included in our submission which can be found here: [Hamilton City Council - Staff Submission - DRAFT Land Transport Rule: Setting of Speed Limits 2024](#).

As the Rule only came into effect on 30 October, we do not yet have more detail to provide. We are required to complete this work by 1 May 2025 and are currently working updating and finalising this pending legal advice and further discussions with NZTA.

2. Any crashes, deaths and serious injuries modelled as a result of speed limit changes to meet requirements under the Government's new Land Transport Rule: Setting of Speed Limits 2024

The only work done is for the Wairere Dr speed limit consultation - [Tuesday 3 December 24 Open Minutes - Council Meeting](#).

3. Any crashes, deaths and serious injuries modelled from changing to the previous speed rule - Land Transport Rule: Setting of Speed Limits 2022

We have not done work on this – refused under s17(e) of LGOIMA – information doesn't exist.

4. Any submission your organisation prepared for the consultation on the draft Land Transport Rule: Setting of Speed Limits 2024, and any feedback otherwise given to the Ministry of Transport, Waka Kotahi, the Minister of Transport or his office on the Rule or the new approach to setting speed limits.

Please see the staff submission linked above.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](#) or freephone 0800 802 602.
