Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

- 1. Can I have the vehicle speed data collected at or near the intersection of Ruakura Road and Harakeke Road for the following months, including counts of vehicle types and recorded speeds (or velocities) of each counted vehicle?*
 - February 2024
 - March 2024
 - April 2024
 - May 2024
 - June 2024
- 2. What devices and technologies were used to collect this data?*
- 3. Can I have the vehicle speed data summary statistics for the intersection of Ruakura Road and Harakeke Road for the following months?*
 - February 2024
 - March 2024
 - April 2024
 - May 2024
 - June 2024

Our response:

Hamilton City has not collected any speed data for this location.

The NZ Transport Agency have purchased Tom Tom data for use in their [MegaMaps](#) tool. They may be able to provide some data regarding vehicle speeds, but it is unlikely to be on a month-by-month basis and would only have limited vehicle classification if any. The NZ Transport Agency information on their open data can be found [here](#).

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Ngaa mihi
